Note: Travellers are subject to the country or region's requirements prior to travel. The QR code used for verification is based on your destination country.

The QR codes in this Vaccination HealthCert is valid until **29 May 2023**. You may visit [Notarise.gov.sg](https://notarise.gov.sg) at any time to obtain a new Vaccination HealthCert to extend the cert expiry date. Please note that expiry of your Vaccination HealthCert does not constitute the expiry of your vaccination records or vaccination status in Singapore.

Online QR verification

This QR Code requires an internet connection to verify.

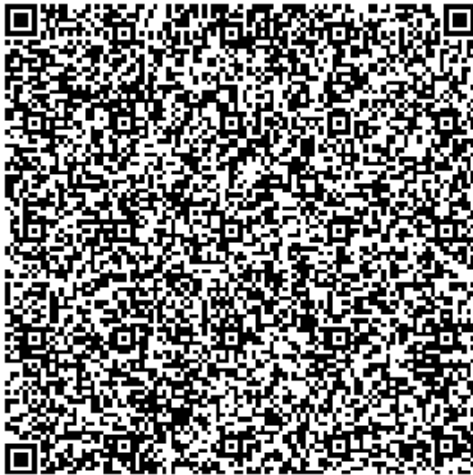

Offline QR Verification (EU DCC-compatible)

This QR Code does not require an internet connection to verify. Some EU countries may only support this form of verification.

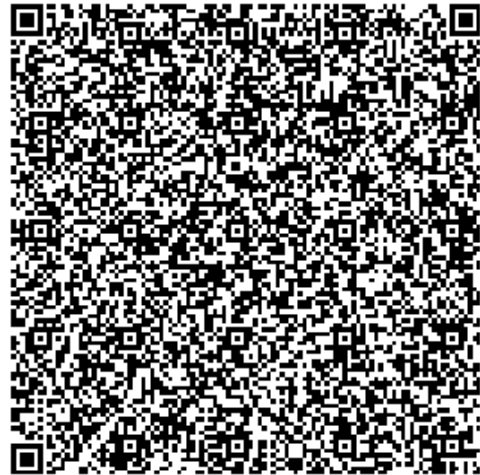

This may also be used for public health measures beyond travel within the EU and should be produced to authorities when required.
